by Andrew Shanks, Martynn Randall This updated edition covers a representative selection of the most popular lawnmowers from current models to those bought up to ten years ago. It presents the dismantling, overhaul and re-assembly of each popular engine in a logical sequence with step-by-step photos. Each engine overhaul is accompanied by a table listing all the lawnmowers in which the engine is used. There is also information on preventative maintenance, detailed coverage on buying a mower and safety procedures.
