The Survivor

**The Survivor**

The Survivor is a no holds-barred race to save America ... in Mitch Rapp's finest battle yet.

**The Survivor**

Presents the latest thriller featuring CIA superagent Mitch Rapp.

**The Survivor**

The next pulse-pounding Mitch Rapp thriller from #1 *"New York Times"* bestselling author Vince Flynn.

**Survivor**

Tender Branson, ultimo sopravvissuto di una bizzarra setta religiosa americana, narra la storia della sua vita alla scatola nera di un aereo che sta precipitando. Una commedia nera, incalzante, stralunata e crudissima sulle follie della società contemporanea.

**The Survivor**

A chilling supernatural tale, *The Survivor* is an unforgettable horror by master of the genre James Herbert, the author of *The Rats* and *The Fog*. One of the worst crashes in airline history. 300 dead. One survivor. Keller walked out of the flaming wreckage, driven on by unseen forces, seeking the answer to his own survival. Now the dead are buried in the town of Eton and its inhabitants are trying to forget. Until the town

is forced to face the shocking, dreadful evil that is now buried in the old graveyard. A truth Keller does not want to know but will be forced to confront . . .

## **The Survivor**

Samuel Carver makes bad accidents happen to worse people. He's very good at his job. But nobody's perfect. And one of Carver's targets has got away. Now the world faces a new age of conflict driven by religious fanaticism. In Russia, the government have admitted they no longer know the whereabouts of one hundred small-scale 'suitcase nukes'. In Afghanistan and Kosovo, ruthless terrorists plot the downfall of their hated enemies. In Texas, a dying billionaire plots his own personal Armageddon. And Carver can do nothing to stop them. He was beaten and tortured and left to die, but Samuel Carver is a hard man to kill. When he awakes in a Swiss sanatorium from weeks of torment, he discovers that the woman he loves has vanished. Somehow he must find the strength to track her down. Carver's hunt will take him deep into the heart of a conspiracy in which the lives of millions are at stake. He must confront an agonizing choice between his duty and his heart, and face the ultimate sacrifice. As the clock ticks down to doomsday, who will survive the final, explosive conflagration? In *The Survivor* the worlds of fact and fiction collide in a thriller that grips from the first page to the last.

## **Survivor**

Jesse is alone. His friends are gone. His supplies are gone. And the chasers, the zombies, are getting bolder. So when he starts to see signs of life, of other humans, he can't believe his luck. But in post-incident New York, the only thing more dangerous than the chasers, are the survivors.

## **Surviving The Evacuation, Book 6: Harvest**

A castle can be made safe from the undead, but not from the people inside the walls. It is seven months since the outbreak. In the anarchy and chaos that came with the undead, civilisation was destroyed. In the wars that followed, the planet was nearly ruined. Billions died. Only a few thousand survived. Fifty people have found refuge in the Tower of London. Zombies plague the city outside the old fortress. The wasteland beyond is filled with nothing but radioactive ruins. With nowhere left to retreat to, and in a final attempt to make the ancient castle a place where they can do more than just slowly starve, the survivors search for food in the abandoned coastal farms. They find something else. They discover that hunger, thirst, and the undead aren't the only threat they face. Betrayal and danger lurk in the shadows in this, the sixth novel in the series. (78,000 words) Other books in the series: 0.5: *Zombies vs The Living Dead*. 1: *London*. 2: *Wasteland*. 3: *Family*. 4: *Unsafe Haven*. 5: *Reunion*. 6: *Harvest*. 7: *Home*. & *Here We Stand: Infected*. Post-apocalyptic detective novels: *Serious Crimes*, *Counterfeit Conspiracy* & *Work, Rest, Repeat*.

## **Surviving The Evacuation, Book 5: Reunion**

Surviving is easy. It's the next part, living, that's hard. Zombies. It is seven months since the outbreak. The world is in ruins. Britain is a radioactive wasteland peopled by the undead. The few survivors cling to the hope that they might wake up tomorrow. For most, that is all they have left. But Nilda has something more; the chance that her son is alive. At least he was, months before. She and Chester set out from Penrith, searching for her son. During the journey, Nilda learns more about this self-confessed criminal, Radio Free England, the conspiracy behind the outbreak, and how Chester was involved in it all. As they near Hull, she realises it is too late to change her travelling companion. She will need his help to escape the zombie infested city, and find her son. Fleeing from the last remnant of the old government, Tuck and Jay head south in search for survivors. When they rescue a wounded man, their quest becomes one for medical supplies. That leads them to a rooftop city, and to the realisation that surviving out in the wasteland is easy compared to forging a new life from the wreckage of the old civilisation. (100,000 words) Other books in the series: 1: *London*. 2: *Wasteland (Zombies vs the Living Dead)* 3: *Family* 4: *Unsafe Haven* 5: *Reunion* 6: *Harvest* 7: *Home*

## **The Last Survivor (A Wilde/Chase Short Story)**

Join Nina Wilde and Eddie Chase in a digital exclusive short story from the international bestseller Andy McDermott. Also contains an exclusive extract from THE REVELATION CODE, the next in the Wilde & Chase series. Nina Wilde is pregnant and feeling very alone. Reeling from the events of her last mission, in which a close friend died in their attempt to stop a resurgent Nazi force from stealing a great archaeological treasure, all Nina can do is try and find solace in her work. But there is one last survivor. A man determined to take his revenge on Nina for all that befell his brethren. Now he is in New York, waiting for his chance. Can Nina's husband, former SAS soldier Eddie Chase, stop him?

## **Survivor**

A seventeen-year-old girl survives a plane crash in the Amazon and, despite maggots festering in her open wounds, finds her way to help and safety. This amazing story of courage and luck, which leaves the young woman the lone survivor from a wreck that claimed her mother and 90 other passengers, is only one of many riveting stories from Allan Zullo's and Mara Bovsun's new book on survival. In *The Greatest Survival Stories Never Told*, readers can learn all about real survivors like the Honduran mother of three who drifts in the sea for days after Hurricane Mitch destroys her home and family. In her case, a red bra was the key to survival since the brightly colored object finally caught the attention of the Coast Guard flying nearby. Or they can read about the New York businessman who endures thirteen days in a muddy hole after kidnappers demand that his family put up three million bucks for his return. As he sits in the cramped, dark pit, he composes his autobiography aloud to save his sanity until his rescue. In *The Greatest Survival Stories Never Told*, dozens of stories of grit and heart will inspire readers everywhere. The book makes for exhilarating reading.

## **The Greatest Survivor Stories Never Told**

Trapped. Alone. Unconcerned. Eight months after the outbreak, Bill Wright is trapped during a survey mission in Ireland. Surrounded by the undead, low on food and lower on water, he's been in this situation before. Unlike before, help is only a rifle shot away. While waiting for the rescue he's sure will come, he records the turbulent events since his last entry. The Welsh island of Anglesey has become a sanctuary for survivors from across the zombie-infested world. It has electricity, wheat, and not much else. Medicines and equipment, plants and fertiliser, books and batteries, and so much more are needed if this last bastion of civilisation is to survive. Scavenging expeditions depart for Svalbard, Liverpool, and the southern Atlantic, but a discovery is made far nearer, one which will change the fate of all those who've come to call Anglesey home. Set on Anglesey, in Bangor and Caernarfon, and in the Republic of Ireland, Bill's journals continue. It's recommended that you read the spin-off stories, *Here We Stand 1: Infected & 2: Divided*, before this novel. *Surviving the Evacuation* continues in *Book 9: Ireland*. Other books in the series: 1: *London*. 2: *Wasteland*. (Zombies vs the Living Dead) 3: *Family*. 4: *Unsafe Haven*. 5: *Reunion*. 6: *Harvest*. 7: *Home. & Here We Stand 1: Infected & 2: Divided*. *Book 8: Anglesey*. *Book 9: Ireland*. Post-apocalyptic detective novels: *Serious Crimes*, *Counterfeit Conspiracy & Work*, *Rest, Repeat*.

## **Surviving The Evacuation, Book 8: Anglesey**

Not all people died. Not all gave up hope. The outbreak was in February. By the end of November, Earth has become a hellish wasteland ravaged by the undead. Survivors from across the Atlantic seaboard took refuge on the Welsh island of Anglesey. Beset by dangers from within, they departed to establish a new refuge in Belfast. Not all of them arrived. Six took the last plane on its last flight, but crashed in France. Expecting a sprinting battle through the ruins of Belfast, they packed light. With few weapons and barely any food, their chances of survival are slim. The chances of rescue are slimmer. There was no evacuation in France. No

quarantine. No rationing. But there are zombies, and there are people who believe they, alone, are the last survivors of the old-world. So begins a frantic race against the undead, through the snow and storm ravaged ruins of Northern France.

## **Surviving the Evacuation, Book 14: Mort Vivant**

Not all survivors are to be trusted. Not all the conspirators are dead. February: Within hours of the outbreak, the quarantine was sabotaged. Within days, the world was gripped by civil war. March: When the lights finally went out, billions were dead. Millions more had joined the ranks of the undead. May: Anglesey has become home to nearly ten thousand survivors from across the Atlantic. While there is still danger from the undead on the mainland, there is hope. Hope that the zombies might die, hope that the electricity supply might be restored, and hope that more survivors will be found. Hope is not enough. Sergeant Branofski and Chester Carson venture into northern Wales to set up a network of safe houses that will provide a route to Anglesey for those still trapped in the wasteland. Though they find survivors, they discover something far worse. September: Nowhere is safe from the living dead, not even The Tower of London. The ancient fortress has become home to nearly a hundred people. Food is scarce and the undead are many. The survivors are doomed unless help can be found, but the only place it can come from is Anglesey. Eamonn Finnegan sets out alone to seek their salvation. He never reaches Wales. November: In her heart, Greta knows that Eamonn is dead, yet she has to look for her lost love because he would look for her. Chester joins her in the futile quest to ensure the search doesn't cost Greta her life. Before their journey has barely begun, they discover an old foe that they thought was dead. Set on Anglesey and in London, near Wrexham and in Birmingham, while hope is fading for the last survivors of humanity.

## **Surviving The Evacuation, Book 11: Search and Rescue**

The #1 international bestselling author of *You're Next*, unleashes his most accomplished, compelling thriller yet. One morning in Los Angeles, Nate Overbay—a divorced former soldier suffering from PTSD and slowly dying from ALS—goes to an eleventh-floor bank, climbs out of the bathroom window onto the ledge, and gets ready to end it all. But as he's steeling himself, a crew of robbers bursts into the bank and begins to viciously shoot employees and customers. With nothing to lose, Nate confronts the robbers, taking them out one-by-one. The last man standing leaves Nate with a cryptic warning. Nate soon learns what that message meant. He is kidnapped by Pavlo, a savage Russian mobster and mastermind of the failed heist. Unable to break back into the bank to get the critical item inside, Pavlo gives Nate an ultimatum—break in and get what he needs or watch Pavlo slowly kill the one thing Nate loves most—his ex-wife Janie and his teenaged daughter Cielle—both lost when he came back from Iraq broken and confused. Now he's got one last chance to protect the people he loves, even if it's the last thing he is able to do.

### **The Survivor**

Anticipating suicide only to foil a bank robbery and receive a blackmail note from one of the robbers, Nate, a traumatized former soldier with ALS, is kidnapped by a Russian mobster who threatens Nate's family to force him to complete the robbery he interrupted. By the best-selling author of *You're Next*. (suspense).

### **The Survivor**

There is nothing a mother won't do to protect her son. "There are no reported outbreaks in the UK or Ireland." That is what the government broadcast. Nilda didn't believe it. Not trusting the authorities, she, and her son, Jay, stay behind when Penrith is evacuated. Vindicated when she learns the extent of the government's betrayal, they search for supplies, but after weeks of rationing, there is little left in the small town in Northern England. Soon, she discovers that there are many other survivors competing for it. Choosing diplomacy over violence, she attempts to forge a community out of a disparate group, but as the number of the undead grow, she realises that they will have to seek sanctuary elsewhere. Abandoned and

betrayed, Nilda travels north into Scotland, but death follows her and she discovers that not all those who survived the evacuation have the same motives. Some only want to help. Others only want to help themselves. Whilst the new Mayor of Anglesey has her own agenda, one at odds with Nilda's quest; to find a safe haven for her son. ## **Book 1, The Upheaval (Serial Story #1): The Survivor Chronicles**

Could someone have actually spoiled an entire season of Survivor? That was the question everyone was asking back in January, 2003, an entire month before the season premier of Survivor: The Amazon. On January 9th, I started an Internet message board thread under the assumed alias of "ChillOne," and debriefed my intelligence, "would-be" confidential information that I uncovered while vacationing in the Brazilian Amazon, including contestant names, game dynamics, location details, and Tribal Council "boot order." In that report, I named Matt Von Ertfelda and Jenna Morasca as the two finalists and pointed to Jenna as the player who was better liked of the two, providing a tantalizing hint of a possible final outcome! Over the next four months, my information would be under the microscope; picked apart and analyzed piece-by-piece by thousands, while at the same time gaining national attention. In the end, ChillOne became one of the most talked about, if not the most talked about, informants in Survivor spoiling history.

## **The Spoiler**

Sunset Survivor a western adventure, takes place in Civil War-era Colorado and is the survival story of one person left from a family. A bold new family saga set during the country's most turbulent era. The Richland family owned some of the most beautiful land in the Western Territories, but violence and death are no strangers to the men and women trying desperately to tame this savage country. This story tells of Josh Richland, the sole survivor after his family had been massacred by Shad Tomes' gunmen. Tomes a land baron, wants the control of a vast territory in Colorado and New Mexico.

F. Gonzalez. Now a new generation of readers will ask - how far would you go to survive?

## Survivor

This is the limited off-color cover edition of *The Fifth Survivor: Episode 6*. This will only be out for a limited time and includes a special heartfelt letter written by the author himself. Once this book disappears, it will never return. The bacon-loving vigilante continues his adventure against the evil Hybrid Corporation. More zombie action, love, hot steamy romance, and of course, bacon! In the sixth episode of *The Fifth Survivor*, Dawn and George are picked up by Dawn's friend, Hondo. George has no idea who Hondo might be or even what his allegiance is. Nevertheless, George will attempt to make good friends with Hondo as he's a brawler sub-class which might prove to be a useful asset. After meeting Hondo, George notices that things begin to calm down a bit when it comes to Hybrid. He takes the time to get to know Dawn even better. However, before he can get too giddy with Dawn, George gets a surprise call from an 'old friend'. With his love life all over the place, George gets a call from his boss, Sean Callahan to interview a Hybrid supervisor who is taking over a hot sauce warehouse located in Poughkeepsie, New York. The hot sauce warehouse has been in the area for close to one-hundred years and has been run by an affluent African-American family. While George decides to go solo to the warehouse, Dawn 'convinces' him to take her with him figuring they might get the lowdown on the next Hybrid scheme. After the interview, George and Dawn decide they want to talk to the owner of the hot sauce warehouse by taking advantage of the interview George is doing. Before they can talk to the owner, they notice that the people begin to act and look abnormal. When they're able to put two and two together, they find out that they're in the middle of the next zombie outbreak. The two of them find out that the owner is still alive and they make it their duty to save him. Can the two of them save the owner from Hybrid's latest Raven Hawk spread? Also, what does Hybrid want with a hot sauce factory? George prepares to enter the lion's den once again. Season two continues as George's love life continues to become more complex and Hybrid's sinister acts continue to get even worse. A fair warning to those who might be reading... This book does contain mild to moderate level sexual references, nothing out of the ordinary but enough that it might not be appropriate for much younger readers. Don't say you weren't warned and enjoy!

## The Fifth Survivor

"Brilliantly satiric and savagely funny, *Survivor* is a wild amphetamine ride through the vagaries of fame and the nature of belief." —San Francisco Chronicle  
Tender Branson—last surviving member of the Creedish Death Cult—is dictating his life story into the recorder of Flight 2039, cruising on autopilot at 39,000 feet somewhere over the Pacific Ocean. He is all alone in the airplane, which will crash shortly into the vast Australian outback. But before it does, Branson will unfold the tale of his journey from an obedient Creedish child and humble domestic servant to an ultra-buffed, steroid- and collagen-packed media messiah.

## **The Theos (the Survivors Book Five)**

Life After War is a series of books about a group of people who live through a nuclear war and come together in the awful aftermath to help rebuild. Let me introduce a few of them. Adrian Mitchel is a lifelong Marine with a huge secret, one that might have stopped the war. Full of guilt he can never be free of, Adrian is driven, obsessed with gathering enough refugee's to restart his broken country. Samantha Moore is a Stormtracker. Gifted with a predictive ability that allows her to avoid bad weather, Sam led a sheltered life before the bombs fell and her road to Adrian's camp is full of pain and horror as she struggles to adjust. Angela White is many things. Doctor, battered wife, mother, and also, a Witch. Born with 'gifts' of the mind, Angela hid them away to keep her man from using them for his own gain but the war broke the locks she used to cage her abilities and now her power is her best defense as she tries to cross a dangerous land in search of her missing son. Lt. Kenn Harrison is a soldier adrift when he joins Adrian's refugee camp, an angry man with secrets, and though months of trials at Adrian's patriotic side have begun to change him, what will happen to all the progress he's made when Angela finally comes for her son? Kendle Roberts is a famous tv star but the survival goddess wasn't prepared for the tidal wave that rolled the cruise ship she and her twin were vacationing on. Adrift on the restless ocean, Kendle will have to use all she's learned to stay alive. Come see what happens to them and the rest of America. 12/21/12. It's coming. Is this what it will look like?
